

SEN Report

Report for Governors
November 2016

Children with resourced places or 2 year old SEN top up funding.

We currently have 13 resourced 3+ year old children, plus 3 children that we are gathering evidence on to request a resourced place.

We also have 1 child who receives additional 2 year old SEN funding, plus 2 children that we are gathering evidence on to request top up funding.

This equates to 19 children with significant Special Education Needs being supported across the school.

In addition we have a further 4 children that we are monitoring that may result in further resourced applications.

We have 7 children with Education Health and Care Plans. One child is moving to Special School in January 2017.

Break down of numbers

Leabank 3-4's currently have 9 resourced children.
Ann is still supporting Michelle in the classroom as well as making new TEACCH resources.

Leabank 2-3's currently have 1 child with SEN top up plus 2 children we are gathering evidence for a funded place and 3 children we are observing.

Mossdale 3-4's currently have 4 resourced children plus 1 children that we are gathering for a resourced place and 1 child we are observing.

Mossdale 0-3's we are gathering evidence for a funded place for 1 child.

SEN Lead Practitioner - Clare is continuing to work across sites supporting the staff to implement appropriate strategies.

Sarah has completed 2 days PECS' training.

Ann and Adam have started online Autism training.

Several staff across the school have attended Autism training as part of their CPD.
